BEST-IN-CLASS COVERAGE PLAN FROM VOLVO

5 YEARS 60,000 MILE WARRANTY

5 YEARS FACTORY SCHEDULED MAINTENANCE

5 YEARS WEAR & TEAR COVERAGE

Introducing a special limited time offer from Volvo: The Safe+Sound Coverage Plan. This offer is designed to help you feel as secure purchasing a new Volvo as you do driving one.

The Safe+Sound Coverage Plan is included on all new 2009 Model Year Volvo's purchased from June 2 through June 30 to help celebrate our Model Year-End Sales Event.

What is Included?

First, we have extended the warranty coverage from four years and 50,000 miles to **FIVE** years and **60,000** miles. This extra year and additional 10,000 miles continues Volvo's new car bumper-to-bumper coverage.

Next, we are extending our complimentary Factory Scheduled Maintenance Coverage to **FOUR ADDITIONAL** service visits. That essentially doubles our coverage, since it is in addition to the first four service visits we currently cover!

Complimentary Factory Scheduled Maintenance visits now include the following service intervals for a total of five years or 60,000 miles:

7,500 miles	30,000 miles	52,500 miles
15,000 miles	37,500 miles	60,000 miles
22,500 miles	45,000 miles	

Also, the Factory Scheduled Maintenance for these vehicles **INCLUDES WEAR AND TEAR** item coverage.

That means there are no surprises for you; since things like brake pads, brake rotors, and even wiper blades are now covered, reinforcing the Safe+Sound concept.

Even more good news - we have also extended our Volvo On Call roadside assistance coverage to **FIVE** years.

The Safe+Sound Coverage Plan is also transferable; this means the plan stays with the vehicle, not just the original owner. This enhances the resale value of your new Volvo.

What a combination! The extended warranty, Complimentary Factory Scheduled Maintenance, Wear and Tear item coverage, and On Call roadside assistance programs add up to a best-in-class offer from Volvo.
